

Curriculum Plan	Subject	Geography GCSE: Year 2. NH 10MS1-GG2. The UK's evolving Human Landscape.	Year	10
-----------------	---------	--	------	----

		W/C 2 nd November	W/C 9 th November	W/C 16 th November
How you will access home learning		The PowerPoint and lesson materials will be available in our Year 10 group on Microsoft Teams. If you are isolating at home email me prior to the lesson and I will conduct the lesson live on Microsoft Teams.		
How you be able to interact with your teacher and gain feedback on your work		You can interact with your teacher by asking any questions about the work by using the chat function on your Year 10 Microsoft Team Class. Your teacher will monitor your scores on SHMW quizzes, and you will be able to submit written work for feedback through the online submission function on SHMW.		
Retrieval How we will help you to recall previously learnt knowledge		Show my homework quizzes. Recall activities linked to prior learning incorporated into the powerpoint.		
New Learning	What you will be learning about this week	<p>The population density of the UK. The location of some of the UK's urban core regions (some of the largest cities/conurbations)</p> <p>How how urban core areas differ to rural periphery areas in the following ways: population density, age structure, economic activities and settlement.</p>	<p>How the following EU and UK government policies attempt to reduce differences between rural and urban areas: enterprise zones, regional development grants, EU grants and improvements to transport.</p> <p>How national and international migration over the past 50 years has altered the population geography of the UK (numbers, distribution, age structure) and how UK and EU immigration policy has contributed to increasing ethnic and cultural diversity.</p>	<p>How and why many areas in the UK have had a reduction in the primary and secondary industry and a rise in tertiary and quaternary industry.</p> <p>How the 'new economy' has altered economic and employment structure in contrasting regions of the UK.</p>
	How we will teach you the new knowledge or ideas	PowerPoint presentation with clearly explained tasks on the slides. This will sometimes also include other worksheets and information in the textbook (available on Kerboodle). There may also be links to audio explanations and video clips. Follow the instructions on the PowerPoint which will guide you through this.		
	Activities that will help you learn and practice what you've been taught			
	What you can do if you are stuck	You can ask a question through the chat function on your Year 10 Geography Microsoft Team or send an email directly to me.		

		W/C 23 rd November	W/C 30 th November	W/C 7 th December	W/C 14 th December
How you will access home learning		The PowerPoint and lesson materials will be available in our Year 10 group on Microsoft Teams. If you are isolating at home email me prior to the lesson and I will conduct the lesson live on Microsoft Teams.			
How you be able to interact with your teacher and gain feedback on your work		You can interact with your teacher by asking any questions about the work by using the chat function on your Year 10 Microsoft Team Class. Your teacher will monitor your score on the weekly SHMW quiz, and you will be able to submit written work for feedback through the online submission function on SHMW.			
Retrieval How we will help you to recall previously learnt knowledge		Show my homework quizzes. Recall activities linked to prior learning incorporated into the powerpoint. There will also be recap on paper 1 embedded across all weeks to help you prepare for the assessment week [although please note you will need to do your own revision at home for this]
