New Learning	What you will be learning about this week	This week you will be learning about the sanctity of life is - looking especially at Catherine of Siena - and when life begins.	This week you will be exploring different views on abortion, including the Catholic view, and debating your own views.	This week you will look at the view of Peter Singer and Jewish views on abortion. You will then be revising the key content from this topic.	This week you will be completing your assessment on the Origins of Humans.
	How we will teach you the new knowledge or ideas	The content for this week will be mostly teacher led working through a PowerPoint alongside some video clips.	The content for this week will be mostly teacher led working through a PowerPoint alongside some video clips.	The content for this week will be mostly teacher led working through a PowerPoint alongside some video clips.	You will complete the assessment in your assessment books. Your teacher will help you to plan your answers to this question.
	Activities that will help you learn and practice what you've been taught	Read the information on Catherine of Siena and summarise what she says about the sanctity of life around the picture of her. Make a list of how the belief in the sanctity of life could influence the behaviour of a Christian.	Read over the powerpoint and complete the table of different views about abortion. Practice the D question and send your answer to your teacher for feedback.	Use the information of the slides to help complete your table. For revision create flashcards and mind-maps of the key information that you need. Attempt practice questions and upload them for your teacher to mark.	Use the practice questions on G:Drive and send any answers to your teacher to give you feedback on.

				Read information from the textbook and make key notes. Look over the lesson PPTs again for any information that you missed. (All should be uploaded to SMHW previously or look on G:Drive)
