

Curriculum Plan	Subject	Geography GCSE. Paper 2 - UK Human Landscapes	Year	11
-----------------	---------	---	------	----

		W/C 2 nd November	W/C 9 th November	W/C 16 th November
How you will access home learning		The PowerPoint and lesson materials will be available in our Year 11 group on Microsoft Teams. If you are isolating at home. Email me prior to the lesson and I will conduct the lesson live on Microsoft Teams.		
How you be able to interact with your teacher and gain feedback on your work		You can interact with your teacher by asking any questions about the work by using the chat function on your Year 7 Microsoft Team Class. Your teacher will monitor your scores on SHMW quizzes, and you will be able to submit written work for feedback through the online submission function on SHMW.		
Retrieval How we will help you to recall previously learnt knowledge		<p>A weekly SMHW quiz to complete.</p> <p>Recap questions in class.</p>		
New Learning	What you will be learning about this week	How to revise for assessment week (guidance on how to spread your revision) Revision of rivers and coasts and an end of topic test on Physical Landscapes	Start of our case study work over the next few weeks The structure and function of London - our case study. How London has changed and the opportunities and challenges this brings.	Causes of migration and how it impacts London. Reasons for different levels of inequality across London.
	How we will teach you the new knowledge or ideas	Content should not be brand new, but will be taught through PowerPoints and other handouts.	PowerPoint presentation with activities detailed on the slides. This will sometimes also include other worksheets and information in the textbook (available on Kerboodle). Follow the instructions on the PowerPoint which will guide you through this.	PowerPoint presentation with activities detailed on the slides. This will sometimes also include other worksheets and information in the textbook (available on Kerboodle). Follow the instructions on the PowerPoint which will guide you through this.
	Activities that will help you learn and practice what you've been taught	Activities will be built into the PowerPoint for you to complete as you follow the instructions and slides. These will be broken down into short tasks. There will be self-test questions to help you recap key knowledge. You will also need to create your own revision resources.		
	What you can do if you are stuck	You can ask a question through the chat function on your Geography Microsoft Team. You can go back over the PowerPoint materials and resources again, stored in the Microsoft Teams area.		

		W/C 23 rd November	W/C 30 th November	W/C 7 th December	W/C 14 th December
How you will access home learning		The PowerPoint and lesson materials will be available in our Year 11 group on Microsoft Teams. If you are isolating at home. Email me prior to the lesson and I will conduct the lesson live on Microsoft Teams.			
How you be able to interact with your teacher and gain feedback on your work		You can interact with your teacher by asking any questions about the work by using the chat function on your Year 7 Microsoft Team Class. Your teacher will monitor your score on the weekly SHMW quiz, and you will be able to submit written work for feedback through the online submission function on SHMW.			
Retrieval How we will help you to recall previously learnt knowledge		<p>A weekly SMHW quiz to complete. Recap questions in class.</p> <p>There will also be recap on paper 1 embedded across all weeks to help you prepare for the assessment week [although please note you will need to do your own revision at home for this]</p>
