Curriculum Plan	Subject	Maths	Year	8

	W/C 2nd November	W/C 9th November	W/C 16th November
How you will access home learning	Work set will be accessed through SMHW, Teams and Hegarty Maths		
How you be able to interact with your teacher and gain feedback on your work	All students can email their teacher if they need support and feedback. Task specific feedback can be given via Hegarty Maths. For some lessons on Teams, the meeting text function can allow students to interact with their teacher.		
Retrieval How we will help you to recall previously learnt knowledge	At least one retrieval quiz provided each week. In addition, use of TT Rockstars and Hegarty Maths MemRi quizzes can support long term learning.		
New Learning — What you will be learning about this week	**Algebra: Multiplying Terms** *Objectives:* *Simplifying expressions involving multiplication, Expanding Single / Double / Triple brackets*		**Area** *Objectives:* *Area by counting squares, Area of rectangles, compound shapes, parallelograms, triangles + trapeziums*
New Learning — How we will teach you the new knowledge or ideas	New content will be taught via the **Hegarty Maths videos 158,160 to 166**,		New content will be taught via the **Hegarty Maths videos 553 to 559**
New Learning — Activities that will help you learn and practice what you've been taught	You will complete the **Hegarty Maths quizzes**, related to the videos of new content. These will give you instant feedback and you can retry the quizzes as many times as you like (aim for at least 80%) Your teacher may provided additional/alternative activities via SMHW or Teams		
New Learning — What you can do if you are stuck	➔ Use the 'get help' button on HM and/or watch the building blocks lessons ➔ Use the comment section on HM to query an answer ➔ Email the teacher or use the chat function on Teams		

		W/C 23rd November	W/C 30th November	W/C 7th December	W/C 14th December
