

Curriculum Plan

Y8 Technology & PSHE Rotations (PSHE)

		Week 1		Week 2		Week 3	
How you will access home learning		In year 8 you will complete a 6 week rotation in Food, Textiles, Product Design and PSHE, the work for each week is detailed here and is also stored in Microsoft teams, called your form & technology eg 8AR Technology. You will need to check classwork on SMHW which will tell you which week you are doing on a specific date and then the home learning can be found in MS teams files section.					
How you be able to interact with your teacher and gain feedback on your work		The resources in MS teams will have resources uploaded by your teacher explaining what work you would be doing in school and where possible this needs to be commOpleted at home, however we do understand that some practical activities may not be able to be done at home, in this case there may be a video for you to watch showing the practical skill you would have been learning in class. There may also be some paper based design work or worksheets for you to complete at home, again in the files in MS teams.					
Retrieval How we will help you to recall previously learnt knowledge		Your teachers will start with a quick task to see what you already know about this topic.		Your teachers will start with a recap of what you learnt last lesson to test your knowledge.		Your teachers will start with a recap of what you learnt last lesson to test your knowledge.	
New Learning	What you will be learning about this week	In Mental Health this week you will be exploring different attitudes towards mental health.	In Global Citizenship this week you will be exploring what global citizenship means.	In Mental Health this week you will be exploring how to promote emotional wellbeing.	In Global Citizenship this week you will be learning how to identify injustices.	In Mental Health this week you will be exploring how to support your emotional wellbeing online.	In Global Citizenship this week you will be identifying how we can enact change in the world.
	How we will teach the new knowledge or ideas	PowerPoint, teacher demonstrations, video demonstrations and practical activities.					
	Activities that will help you learn and practice what you've been taught	Create a summary document of the key information on the powerpoint. This could be a spider diagram, a notes page and revision poster. It should be identify the key words and main points from the lesson clearly.		Create a summary document of the key information on the powerpoint. This could be a spider diagram, a notes page and revision poster. It should be identify the key words and main points from the lesson clearly.	Use what you have learnt to look at news stories and identify what injustices are happening the world around you. Look both locally and worldwide. But remember to be critical of the story and don't just believe everything you see.	Create a summary document of the key information on the powerpoint. This could be a spider diagram, a notes page and revision poster. It should be identify the key words and main points from the lesson clearly.	Research people who have enacted change in the world and make a note of how they did it. What methods did they use to change the injustice that they identified?
	What you can do if you are stuck	Use the resources in MS teams, check the classwork set on SMHW to see what you need to do. You can also e-you're your teachers; awragg@notredame-high.co.uk , egreen@notredame-high.co.uk , fgennard@notredame-high.co.uk , crollinson@notredame-high.co.uk , jbaggaley@notredame-high.co.uk , mowczarek@notredame-high.co.uk , or rquinn@notrdame-high.co.uk , please be specific in the help you need to enable them to give you appropriate feedback.					

		Week 4		Week 5		Week 6
