## Y8 Technology & PSHE Rotations (Textiles)

		Week 1	Week 2	Week 3
How you will access home learning		In year 8 you will complete a 6 week rotation in Food, Textiles, Product Design and PSHE, the work for each week is detailed here and is also stored in Microsoft teams, called your form & technology eg 8AR Technology. You will need to check classwork on SMHW which will tell you which week you are doing on a specific date and then the home learning can be found in MS teams files section.		
How you be able to interact with your teacher and gain feedback on your work		The resources in MS teams will have resources uploaded by your teacher explaining what work you would be doing in school and where possible this needs to be completed at home, however we do understand that some practical activities may not be able to be done at home, in this case there may be a video for you to watch showing the practical skill you would have been learning in class. There may also be some paper based design work or worksheets for you to complete at home, again in the files in MS teams.		
<b>Retrieval</b> How we will help you to recall previously learnt knowledge		What can you remember from Y7 or if you didn't complete textiles in Y7 what facts do you know that are relevant to textiles?	What 3 things can you remember from last lesson?	Maths in context question.
<b>New Learning</b>	What you will be learning about this week	This lesson you will be learning how to hand sew.	You will be learning how to design a pattern and how to add seam allowance to pattern pieces.	Designing your patterns or choosing which pre-designed house you would like to use.
