

Curriculum Plan		Subject	Physics (Double Award)	Year	9 D2 & D3
		W/C 2nd November	W/C 9th November	W/C 16th November	
How you will access home learning		Students to be provided with weekly updates through SMHW; details to include slides used in school in form of PPT, any Kerboodle resources and quizzes linked, Bitesize and relevant YT links, and in some cases there will be a relevant video lesson.			
How you be able to interact with your teacher and gain feedback on your work		Teachers available on Teams during sessions where appropriate (likely to be in event of large-scale absence through isolation or comprehensive lockdown); hand in work through SMHW and Kerboodle. Contact teachers in writing through SMHW, Teams and email.			
Retrieval How we will help you to recall previously learnt knowledge		There will be a retrieval quiz on the previous lesson objectives and, where appropriate, longer term retrieval from previous topics. This may be part of a homework task or incorporated into the lesson.			
New Learning	What you will be learning about this week	NB ALL TIMINGS ARE APPROXIMATE DUE TO ROTATION SYSTEM Energy transfer by conduction	Specific Heat Capacity	Energy Resources	
	How we will teach you the new knowledge or ideas	A combination of lessons using traditional slides or whiteboard teaching; video lessons; online resources including YouTube videos, BBC Bitesize, Seneca and Kerboodle			
	Activities that will help you learn and practice what you've been taught	Multiple Choice quizzes on SMHW or more involved questions on Kerboodle. Some traditional exam-style homeworks where appropriate; likely to be in preparation for formal assessment			
	What you can do if you are stuck	There are a number of ways you can get support these include: Accessing the GCSE textbook through kerboodle which may help explain the content in a different way. Clicking on the link to the Seneca Learning website. This may also explain the new content in a way you find easier to understand Asking your friends - working with your friends can really help. You may have created a group chat for this so you can easily contact each other about work.			

		W/C 23 rd November	W/C 30 th November	W/C 7 th December	W/C 14 th December
