

Curriculum Plan		Subject	Geography: The UK's evolving human landscape (Mrs Harrison)	Year	10MS1-GG2
Spring 1		W/C 6 th January	W/C 11 th January	W/C 18 th January	
How you will access home learning		The PowerPoint and lesson materials will be available on SMHW each week and will be uploaded by your class teacher. They will also be made available on Teams. There are also text book pages for each week (you can access the text book via kerboodle) these are listed below.			
How you be able to interact with your teacher and gain feedback on your work		You can interact with your teacher by asking any questions about the work by using the chat function in Microsoft Teams. You will be able to submit written work and exam responses for feedback through the online submission function on SHMW or by email to your teacher.			
Retrieval How we will help you to recall previously learnt knowledge		Introductory quizzes and questioning, recall practice and recaps of knowledge	Introductory quizzes and questioning, recall practice and recaps of knowledge	Introductory quizzes and questioning, recall practice and recaps of knowledge	
New Learning	What you will be learning about this week	What the terms 'site' and 'situation' mean and how to describe the site and situation of London. How the connectivity of London nationally, regionally and globally helps the significance of London across the world.	The building age and density, land-use and environmental quality of the following parts of London's structure: CBD, inner city, suburbs, urban-rural fringe.	The causes of national and international migration into London. How national and international migration influences growth and character of the different parts of the city (age structure, ethnicity, housing, services and culture).	
	How we will teach you the new knowledge or ideas	PowerPoints will be uploaded to SHMW or you can make notes from the text book pages 172-173.	PowerPoints will be uploaded to SHMW or you can make notes from the text book pages 176-177.	PowerPoints will be uploaded to SHMW or you can make notes from the text book pages 176-177.	
	Activities that will help you learn and practice what you've been taught	Activities will be built into the PowerPoint for you to complete as you follow the instructions and slides.			
	What you can do if you are stuck	You can ask a question through the chat function on Geography Microsoft Teams or send an email to your teacher. You can go back over the PowerPoint materials which will be saved in teams and set as classwork in SMHW.			

		W/C 25 th January	W/C 1 st February	W/C 8 th February
