

Curriculum Plan		Subject	Economics		Year	12
Spring 1		W/C 6th January	W/C 11th January		W/C 18th January	
How you will access home learning		Work will be posted on SMH for the week. This will set out the content that will be covered for the work with the activities that will be used. The lesson powerpoints and activities can all be found in the gdrive (linked below).				
How you be able to interact with your teacher and gain feedback on your work		Completed work and any questions should be emailed to your teacher. Model/suggested answers are normally included in the relevant topic area for students to self-check.				
Retrieval How we will help you to recall previously learnt knowledge		The lesson powerpoints have various retrieval tasks built into them such as multiple-choice questions, the drawing of diagrams and past-paper questions on content covered earlier. In addition you can also work through the revision powerpoints for Paper 1 you will find here : G:\Economics\CURRENT A-LEVEL\Revision\Yr 12 Paper 1 Revision PPTS (I would suggest 20-30 mins per week)				
New Learning	What you will be learning about this week	Measurement of Macroeconomic performance (4.2.1)	Measurement of Macroeconomic performance (4.2.1)	How the Macroeconomy works (4.2.2)		
	How we will teach you the new knowledge or ideas	Follow the lesson powerpoints (link below). You will also find all the learning resources that are referred to in these powerpoints and that are used in this week here. G:\Economics\CURRENT A-LEVEL\LESSON RESOURCES (PPTS)\Year 1 LESSON RESOURCES\Mr Horner\Paper 2 National & International Economy Yr1\1.Measurement of Macroeconomic performance You should also watch the relevant video on the Theory Videos Year 12 document you will find at this address :	Follow the lesson powerpoints (link below).
