

Curriculum Plan		Subject	Geography A-Level - Superpowers		Year	13
Spring 1		W/C 6th January		W/C 11th January		W/C 18th January
How you will access home learning		All work will be in our Microsoft Teams group (look for group ending GG). In there, look in the 'Files' section where you will find class materials saved in folders for each week. There are also the numbers of the textbook pages you can read and answer questions on.				
How you be able to interact with your teacher and gain feedback on your work		You can interact with your teacher by asking any questions about the work by using the chat function on your Year 13 Microsoft Team Class. Your teacher will monitor your scores on SHMW quizzes, and you will be able to submit written work for feedback through the online submission function on SHMW. <u>If you are isolating, you must check in with your teacher (e.g. by submitting work) once a week!</u>				
Retrieval How we will help you to recall previously learnt knowledge		Introductory quizzes and questioning, recall practice and recaps of knowledge. This can vary from week to week depending on the type of thing you have just been learning! It could be recap questions on the first PowerPoint slide or a SMHW quiz.				
New Learning	What you will be learning about this week	Conclusion and Evaluation for the NEA	Start of SuperPowers topic What are Superpowers?		Changing Power Who are the emerging powers?	
	How we will teach you the new knowledge or ideas	PowerPoints will be uploaded to Teams 'Files area or SHMW or go to these textbook pages: 303-305	PowerPoints will be uploaded to Teams 'Files area or SHMW or go to these textbook pages: 100-106		PowerPoints will be uploaded to Teams 'Files area or SHMW or go to these textbook pages: 106-117	
	Activities that will help you learn and practice what you've been taught	It can be confusing opening up some resources and knowing where to start! So begin by looking at the PowerPoint and reading each slide and following the instructions carefully (if there is a link to a video, watch it, if there is a slide with a group of questions, answer them). Sometimes there will be voiceover to guide you when needed, or a live lesson if it needs further guidance with a tricky concept!				
	What you can do if you are stuck	Firstly, check the PowerPoint again and read or listen to the guidance. But please don't sit at home stuck! Contact us! You can write a comment in the chat function in our teams group, or write a SMHW comment.				

		W/C 25 th January	W/C 1 st February	W/C 8 th February
How you will access home learning		All work will be in our Microsoft Teams group (look for group ending GG). In there, look in the 'Files' section where you will find class materials saved in folders for each week. There are also links to video lessons from the Oak Academy website each week that are listed below
