

Curriculum Plan		Subject	Geography - Cities and Development		Year	8
Spring 1		W/C 6 <sup>th</sup> January		W/C 11 <sup>th</sup> January	W/C 18 <sup>th</sup> January	
How you will access home learning		All work will be in our Microsoft Teams group (look for group ending GG). In there, look in the 'Files' section where you will find class materials saved in folders for each week. <b>There are also links to video lessons from the Oak Academy website each week that are listed below</b>				
How you be able to interact with your teacher and gain feedback on your work		You can interact with your teacher by asking any questions about the work by using the chat function on your Year 8 Microsoft Team Class. Your teacher will monitor your scores on SHMW quizzes, and you will be able to submit written work for feedback through the online submission function on SHMW. <b><u>If you are isolating, you must check in with your teacher (e.g. by submitting work) once a week!</u></b>				
<b>Retrieval</b> How we will help you to recall previously learnt knowledge		Introductory quizzes and questioning, recall practice and recaps of knowledge. This can vary from week to week depending on the type of thing you have just been learning! It could be recap questions on the first PowerPoint slide or a SMHW quiz.				
<b>New Learning</b>	What you will be learning about this week	<b>An introduction to our new topic 'Cities!' and how cities grow</b>	<b>Continuing to look at how cities grow and that in fact some cities grow to be 'megacities'!!</b>	<b>A look at cities in Brazil, including looking at Rio Carnival. Then we move onto Mumbai and Dharavi!</b>		
	How we will teach you the new knowledge or ideas	PowerPoints will be uploaded to Teams 'Files area or SHMW or you can watch these video lessons from the Oak Academy website: <a href="#">Where do people live within the UK? (thenational.academy)</a> <a href="#">What can OS maps and GIS maps tell us about cities? (thenational.academy)</a>	PowerPoints will be uploaded to Teams 'Files area or SHMW or you can watch these video lessons from the Oak Academy website: <a href="#">What is urban sprawl and what are the impacts of it? (thenational.academy)</a> <a href="#">What are megacities and where are they located? (thenational.academy)</a>	PowerPoints will be uploaded to Teams 'Files area or SHMW or you can watch these video lessons from the Oak Academy website: <a href="#">What are the opportunities in Mumbai? (thenational.academy)</a> <a href="#">What are the challenges in Mumbai? (thenational.academy)</a>		
	Activities that will help you learn and practice what you've been taught	It can be confusing opening up some resources and knowing where to start! So begin by looking at the PowerPoint and reading each slide and following the instructions carefully (if there is a link to a video, watch it, if there is a slide with a group of questions, answer them). Sometimes there will be voiceover to guide you when needed, or a live lesson if it needs further guidance with a tricky concept!				
	What you can do if you are stuck	Firstly, check the PowerPoint again and read or listen to the guidance. But please don't sit at home stuck! Contact us! You can write a comment in the chat function in our teams group, or write a SMHW comment.				

		W/C 25 <sup>th</sup> January	W/C 1 <sup>st</sup> February	W/C 8 <sup>th</sup> February
