- You will notice that there are 'blanks' for the majority of your session 3 slots. During this time you will be expected to:
  - Complete any additional work that has been set by your teachers
  - Respond to any feedback from your teachers and/or contact your teachers if you have any issues.
  - Ensure that you are getting some physical exercise - this can be by using the guidance provided by the PE department for core PE or could be simply going for a walk with parents or playing in the garden. It is really important you get exercise and fresh air.
  - Complete any enrichment work provided by departments.
- On a Thursday you will see that there is an asterix (\*) next to Maths and English. These are additional slots where your Maths and English teachers may decide to conduct additional Microsoft teams lessons. The work will still be shared with you for the entire week on Monday for Maths and Wednesday for English.
