

<b>Curriculum Plan</b>		<b>Subject</b>	<b>Biology Unit 2</b>		<b>Year</b>	<b>Y10 D1 D2 D3</b>
<b>Spring 2</b>		<b>W/C 22<sup>nd</sup> February</b>		<b>W/C 1<sup>st</sup> March</b>		<b>W/C 8<sup>th</sup> March</b>
How you will access home learning		The PowerPoint and lesson materials will be available in our Year 10 group on Microsoft Teams, Gdrive and SMHW. G drive folder can be found here G:\Science\Home learning biology\Year 10\Double				
How you be able to interact with your teacher and gain feedback on your work		During the home learning period you can interact with your teacher via the live teams lessons. You can ask any questions about the work by using the chat function on your Year 10 Microsoft Team Class. Your teacher will monitor your scores on SHMW quizzes, and you will be able to submit written work for feedback through the online submission function on SHMW or teams assignments.				
<b>Retrieval</b> How we will help you to recall previously learnt knowledge		Five knowledge recap questions about the previous lesson content will be at the start of each PowerPoint which will be put on MS Teams or SMHW.				
<b>New Learning</b>	What you will be learning about this week	<b>The Nervous System</b>	<b>Reaction Time RP</b>	<b>Reflexes</b>		
	How we will teach you the new knowledge or ideas	New knowledge will be taught through PowerPoint content and live lessons on MS Teams during the period of remote learning	New knowledge will be taught through PowerPoint content and live lessons on MS Teams during the period of remote learning	New knowledge will be taught through PowerPoint content and live lessons on MS Teams during the period of remote learning		
	Activities that will help you learn and practice what you've been taught	Activities will be built into the PowerPoint for you to complete as you follow the instructions and slides. These will be broken down into short tasks with exam style questions. Answers will be provided for all activities. Please check your answers carefully. Video summaries will be included to watch independently.	Activities will be built into the PowerPoint for you to complete as you follow the instructions and slides.
