

Curriculum Plan		Subject	A-Level Religious Studies: Christianity		Year	12
Spring 2		W/C 22 nd February		W/C 1 st March	W/C 8 th March	
How you will access home learning		Check Show My Homework: The PowerPoints for the lesson and any resources will be uploaded to Show My Homework. Your teacher will explain what you are expected to produce during each lesson and when your Teams lessons will be. If you cannot find the work on SMHW then please look in G:Drive under your year group.				
How you be able to interact with your teacher and gain feedback on your work		Your teacher will be able to monitor your work when you upload it to Show My Homework and give you feedback on it where appropriate. They will be able to see your scores from the weekly quiz				
Retrieval How we will help you to recall previously learnt knowledge		We will use recall quizzes and bell tasks to help recap what you have already learnt.	We will use recall quizzes and bell tasks to help recap what you have already learnt.	We will use recall quizzes and bell tasks to help recap what you have already learnt.		
New Learning	What you will be learning about this week	Learning Checkpoint: We will be using this week to give you chance to go over key content that you have learnt this year.	Baptism: Explain the importance of Baptism for Christians and debate whether infants should be baptised.	Eucharist: Explain the different beliefs about the Eucharist and decide which belief (if any) you agree with.		
	How we will teach you the new knowledge or ideas	We will go through some of the topics that you have struggled with and give you checklists to use to check your confidence on different topics.	Most of the information will be delivered via a PPT. We will direct you towards independent reading and research to help develop your understanding further.	Most of the information will be delivered via a PPT. We will direct you towards independent reading and research to help develop your understanding further.		
	Activities that will help you learn and practice what you've been taught	Flash cards and mind-maps are a good way of organising lots of information and are useful for revision later. Notes pages and knowledge tests help you practice the content	Create a glossary of keywords from the lesson today. Create flashcards of key information to help you to learn the information. Use the past paper questions to help you to plan answers and practice skills.	Create a glossary of keywords from the lesson today. Create flashcards of key information to help you to learn the information. Use the past paper questions to help you to plan answers and practice skills.		
	What you can do if you are stuck	Your teacher will be on MS Teams all lesson to answer any questions that you have.	Use the PPTs and supporting materials on G:Drive to help you with the information. Email your teacher if you are still struggling.	Use the PPTs and supporting materials on G:Drive to help you with the information. Email your teacher if you are still struggling.
