

Curriculum Plan		Subject	Geography - Cities and Development		Year	8
Spring 1		W/C 10th January		W/C 17th January		W/C 24th January
How you will access home learning		All work will be set in your Microsoft Teams Group for Geography (look for group ending GG). If you are working from home, you should check your Teams group on the day that you have Geography on your timetable. There are also links to video lessons from the Oak Academy website each week that are listed below. These are for you to watch if there isn't any work set for you on Teams. This may happen if your teacher is absent.				
How you be able to interact with your teacher and gain feedback on your work		You can interact with your teacher by asking any questions about the work by using the chat function on your Year 8 Microsoft Team Class				
Retrieval How we will help you to recall previously learnt knowledge		Introductory quizzes and questioning, recall practice and recaps of knowledge.				
New Learning	What you will be learning about this week	An introduction to our new topic 'Cities!' and how cities grow	Continuing to look at how cities grow and that in fact some cities grow to be 'megacities'!!	A look at cities in Brazil, including looking at Rio Carnival. Then we move onto Mumbai and Dharavi!		
	How we will teach you the new knowledge or ideas	PowerPoints will be uploaded to Teams 'Files area or SHMW or you can watch these video lessons from the Oak Academy website: Where do people live within the UK? (thenational.academy) What can OS maps and GIS maps tell us about cities? (thenational.academy)	PowerPoints will be uploaded to Teams 'Files area or SHMW or you can watch these video lessons from the Oak Academy website: What is urban sprawl and what are the impacts of it? (thenational.academy) What are megacities and where are they located? (thenational.academy)	PowerPoints will be uploaded to Teams 'Files area or SHMW or you can watch these video lessons from the Oak Academy website: What are the opportunities in Mumbai? (thenational.academy) What are the challenges in Mumbai? (thenational.academy)		
	Activities that will help you learn and practice what you've been taught	Activities will be built into the PowerPoint for you to complete as you follow the instructions and slides. These will be broken down into short tasks.				
	What you can do if you are stuck	You can ask a question through the chat function on your Year 7 Geography Microsoft Team.				

		W/C 31st January	W/C 7th February
