

Curriculum Plan		Subject	Geography: Paper 2 - The UK's evolving Human Landscape (NH)		Year	11
Spring 1		W/C 10th January	W/C 17th January	W/C 24th January		
How you will access home learning		All work will be set in your Microsoft Teams Group for Geography. If you are working from home, you should check your Teams group on the day that you have Geography on your timetable. If there is no work set on Teams, this may be because your teacher is absent so do your best to complete the section of the work listed below.				
How you be able to interact with your teacher and gain feedback on your work		You can interact with your teacher by asking any questions about the work by using the chat function on your Year 11 Microsoft Team Class				
Retrieval How we will help you to recall previously learnt knowledge		Introductory quizzes and questioning, recall practice and recaps of knowledge.				
New Learning	What you will be learning about this week	We need to build a case study looking at London and how it has grown and changed. This week we will look at London's location - the importance of site and situation.	Understanding London's structure.	London and migration		
	How we will teach you the new knowledge or ideas	PowerPoint presentation with instructions on each slide guiding you through some tasks to learn and practice new skills and content. This week's content will be based on pages 172 - 173 (use your Kerboodle log in). Learn what we mean by site and situation and answer the ESQ on pg 173. If your teacher is not available this video would be a useful introduction, though note that it is based on Liverpool, not London. It will give you understanding to start with. Location and importance of Liverpool (thenational.academy)	PowerPoint presentation with instructions on each slide guiding you through the skills and knowledge needed. This week's content will be based on pages 174-175 (use your Kerboodle log in). Complete the tasks on page 173. For Q1 base it on Sheffield.	PowerPoint presentation with instructions on each slide guiding you through the skills and knowledge needed. This week's content will be based on pages 176-177 (use your Kerboodle log in). Learn what we mean by migration and note that migration can be within a country or internationally. If you need a reminder about population pyramids search a channel you like or use this link - How to Read a Population Pyramid - YouTube Answer Q1-5 plus the ESQ on pg 177		

				<p>If your teacher is not available this video would be a useful introduction, though note that it is based on Liverpool, not London. It will give you understanding to start with.</p> <p>Impacts of migration on Liverpool (thenational.academy)</p>
	<p>Activities that will help you learn and practice what you've been taught</p>	<p>Activities will be built into the PowerPoint for you to help you to complete the exam practice</p>		
	<p>What you can do if you are stuck</p>	<p>You can ask a question through the chat function on your Year 11 Geography Microsoft Team.</p>		

		W/C 31st January	W/C 7th February
