

Curriculum Plan		Subject	Geography: Paper 3: People and Environment Issues		Year	11
Spring 1		W/C 10th January	W/C 17th January		W/C 24th January	
How you will access home learning		<p>All work will be set in your Microsoft Teams Group for Geography. If you are working from home, you should check your Teams group on the day that you have Geography on your timetable. You will find the past paper that we are working from in the files section of our Teams group in the folder called 'Paper 3', and at this link https://notredamehighschool139.sharepoint.com/:f:/r/sites/Section_2021-4942/Shared%20Documents/General/Paper%203?csf=1&web=1&e=BMMyw9</p> <p>If there is no work set on Teams, this may be because your teacher is absent so do your best to complete the section of the exam paper listed below. The mark scheme and examiner's report are also saved at the above link. You can also use the test yourself questions in your topic booklets to help you to revise. To help with extra revision for the tropical rainforests topic you could watch the Oak Academy clips listed below.</p>				
How you be able to interact with your teacher and gain feedback on your work		You can interact with your teacher by asking any questions about the work by using the chat function on your Year 11 Microsoft Team Class				
Retrieval How we will help you to recall previously learnt knowledge		Introductory quizzes and questioning, recall practice and recaps of knowledge.				
New Learning	What you will be learning about this week	Consuming Energy Resources: Becoming less reliant on fossils fuels Different energy scenarios for the future.	Exam Practice: Paper 3: Section A: People and the Biosphere section	Exam Practice: Paper 3: Section B: Forests Under Threat section		
	How we will teach you the new knowledge or ideas	PowerPoint presentation with instructions on each slide guiding you through some tasks to learn and practice new skills and content. You will complete all of the test yourself questions in your energy booklet.	PowerPoint presentation with instructions on each slide guiding you through the skills, knowledge and revision, before then completing the exam questions. What are the physical characteristics of the tropical rainforest? (thenational.academy) What are the causes of deforestation in the Amazon rainforest?
