

Curriculum Plan		Subject	Geography: Development dynamics (Miss Jackson)	Year	9MS1-GG3
Spring 1		W/C 10 <sup>th</sup> January	W/C 17 <sup>th</sup> January	W/C 24 <sup>th</sup> January	
How you will access home learning		The PowerPoint and lesson materials will be available on SMHWK each week and will be uploaded by your class teacher. They will also be made available on Teams. <b>There are also text book pages for each week (you can access the text book via kerboodle) these are listed below.</b>			
How you be able to interact with your teacher and gain feedback on your work		You can interact with your teacher by asking any questions about the work by using the chat function in Microsoft Teams. You will be able to submit written work and exam responses for feedback through the online submission function on SHMW or by email to your teacher.			
<b>Retrieval</b> How we will help you to recall previously learnt knowledge		Introductory quizzes and questioning, recall practice and recaps of knowledge	Introductory quizzes and questioning, recall practice and recaps of knowledge	Introductory quizzes and questioning, recall practice and recaps of knowledge	
New Learning	What you will be learning about this week	How populations change as countries develop, particularly Malawi. We started this before Christmas when looking at population structures (pyramids). Follow the instructions on the powerpoint slides, including answering questions on women's health and education. You will also learn about global inequality and how it has changed in the last 3 decades. The main task slide contains the 6 tasks you need to complete.	How do countries develop - specifically looking at two theories of development regarding how countries develop over time - Rostow's theory and Frank's dependency theory. Development in a globalised world - what is globalisation and why do some countries benefit from it more than others.	What's holding Malawi back?  How Malawi faces physical and environmental barriers to its development How Malawi faces economic and political barriers to its development You will write a report on Malawi's lack of development.	
	How we will teach you the new knowledge or ideas	PowerPoints will be uploaded to SHMW/Teams or you can make notes from the <b>text book pages 54-55 (population structures) and 56-57 (global inequality)</b> . If teacher is absent - complete the 'your questions' section (green box at bottom of page)	PowerPoints will be uploaded to SHMW/Teams or you can make notes from the <b>text book pages 62-63 (population structures) and 64-65 (global inequality)</b> . If teacher is absent - complete the 'your questions' section (green box at bottom of page) You could also have a look at these Oak Academy lessons: <a href="#">Strategies to reduce the development gap (Part 1) (thenational.academy)</a>	PowerPoints will be uploaded to SHMW/Teams or you can make notes from the <b>text book pages 58-61</b> (both double pages are on Malawi)  If teacher is absent - complete the 'your questions' section (green box at bottom of page) You could also have a look at this Oak Academy lesson: <a href="#">Economic and historic causes of uneven development (thenational.academy)</a>	

			<a href="#">Strategies to reduce the development gap (Part 2) (thenational.academy)</a> <a href="#">Strategies to reduce the development gap (Part 3) (thenational.academy)</a>	
	Activities that will help you learn and practice what you've been taught	Activities will be built into the PowerPoint for you to complete as you follow the instructions and slides.		
	What you can do if you are stuck	You can ask a question through the chat function on Geography Microsoft Teams or send an email to your teacher. You can go back over the PowerPoint materials which will be saved in teams and set as classwork in SMHW.		

		W/C 31st January	W/C 7th February
