What you can  
do if you are  
stuck

Please see the vocabulary list and vocab booklet for this topic. These are saved in <G:\Languages\Key MFL Documents for Pupils and Parents>, also on the MFL page of the school website and in your class's Microsoft Teams.

Look carefully through your book / vocab sheets to find previously taught vocabulary, phrases and grammar you need to adapt, eg. connectives, adjectives. Look at model sentences and paragraphs in the resources you are sent and adapt those rather than starting from scratch.

Avoid internet translators as it doesn't show us what you can do for yourself. If we can see where you are having difficulty, then we are more able to help you.

You can also ask any questions to your teacher through SMHW or email. Please be as specific as you can so we can support you.
