Cu	rriculum Plan	Subject	Maths		Year	Year 11 ZI	
		W/C 10 th January		W/C 17 th January	W/C 24 th January		
How	v you will access home learning	Work set will be accessed through Teams and Hegarty Maths					
How you be able to interact with your teacher and gain feedback on your work		All students can email their teacher if they need support and feedback. Task specific feedback can be given via Hegarty Maths. For some lessons on Teams, the meeting text function can allow students to interact with their teacher.					
Retrieval How we will help you to recall previously learnt knowledge		Use Hegarty Maths MemRi quizzes and <u>GCSE Revision Grid (mathsbot.com)</u> as well, make sure that it is set to foundation / crossover.					
	What you will be learning about this week	Areas of circles a	nd sectors	Bearings		Surface area	
New Learning	How we will teach you the new knowledge or ideas	Hegarty Maths video <mark>533, 53</mark> 0		Hegarty Maths videos <mark>492-496</mark>	Hegart	ry Maths videos <mark> 584, 585,</mark> <mark>586, 589</mark>	
	Activities that will help you learn and practice what you've been taught	You will complete the Hegarty Maths quizzes , related to the videos of new content. These will give you instant feedback and you can retry the quizzes as many times as you like (aim for at leas 80%) Your teacher may provide additional/alternative activities via Teams					
	What you can do if you are stuck	 → Use the 'get help' button on HM and/or watch the building blocks lessons → Use the comment section on HM to query an answer → Email the teacher or use the chat function on Teams 					

		W/C 25 th January	W/C 7 th February			
How you will access home learning		Work set will be accessed through Teams and Hegarty Maths				
How you be able to interact with your teacher and gain feedback on your work		The quizzes are all available in G Drive, maths, staff, staff TS, Y11, 2020-21. You need to do one of these each week, I will upload the solutions to SMHW every Wednesday. Use Hegarty Maths MemRi quizzes and <u>GCSE Revision Grid (mathsbot.com)</u> as well, make sure that it is set to foundation / crossover.				
Retrieval How we will help you to recall previously learnt knowledge		At least one retrieval quiz provided each week. In addition, use of TT Rockstars and Hegarty Maths MemRi quizzes can support long term learning.				
	What you will be learning about this week	Pie charts	Venn diagrams			
New Learning	How we will teach you the new knowledge or ideas	Hegarty Maths videos <mark>427 - 429</mark>	Hegarty Maths videos 374, 375, 378, 379, 380
