

Curriculum Plan		Y7 Food	
		W/C 17 <sup>th</sup> January	W/C 24 <sup>th</sup> January
How you will access home learning		All work will be set in your Microsoft Teams Group for Technology, If you are working from home, you should check your Teams group on the day that you have Technology on your timetable. The work set will use the Oak Academy website and the links for each lesson are below.	
How you be able to interact with your teacher and gain feedback on your work		You can interact with your teacher by asking any questions about the work by using the chat function on your Year 7 Microsoft Team Class.	
<b>Retrieval</b> How we will help you to recall previously learnt knowledge		Answer the following questions; What is a recipe? Why do we need a recipe when making food? Why did you choose to eat the food you ate last night?	Answer the following questions; List 4 food hygiene rules you must follow when cooking? Why do we store meat and milk in a fridge? Name 4 pieces of equipment used to cook and what they are used for?
<b>New Learning</b>	What you will be learning about this week	An introduction to what influences our food choices	Recipe development
	How we will teach the new knowledge or ideas	In this lesson we will look at several factors that can impact our food decisions, it can be accessed on the Oak Academy's website using this link; <a href="https://classroom.thenational.academy/lessons/an-introduction-to-what-influences-our-food-choices-crtk8c">https://classroom.thenational.academy/lessons/an-introduction-to-what-influences-our-food-choices-crtk8c</a>	In this lesson we will look at how to develop a recipe to suit different needs. This lesson includes some physical activity and equipment beyond pen, paper or pencil. The cooking in this lesson must be done under adult supervision. <a href="https://classroom.thenational.academy/lessons/recipe-development-71j3gt">https://classroom.thenational.academy/lessons/recipe-development-71j3gt</a>
	Activities that will help you learn and practice what you've been taught	Work through the lesson, completing both quizzes, watching the video and presentation and completing the activities and worksheets attached to the lesson. Send me your completed tasks by MS teams or email.	Work through the lesson, completing both quizzes, watching the video and presentation and completing the activities and worksheets attached to the lesson. Send me your completed tasks & photos of any food made by MS teams or email.
